PROFILE

A second-year Mechanical Engineering student at the University of Liverpool, on track to receive a 2:1. Attended a Mace Insight Week, which cemented the fact that I want to work in the construction industry. I am now looking for a one-year placement where I can apply my technical knowledge to find real business solutions.

KEY SKILLS

- Project management
 - Problem-solving
 - Microsoft Office, including VBA proficiency, Solidworks and AutoCAD 3D
-

EMPLOYMENT/WORK EXPERIENCE

Mace Insight Week

March 2022

Insight Student

- Visited iconic projects (e.g. Camden Lock Village) to learn about processes.
- CV workshops and mock interviews boosted my confidence in applying.
- Personally asked to apply for their internship programme at the end of the week.

Mountain Warehouse

May 2019 - July 2020

Retail Assistant

- Provided excellent customer service in a fast-paced retail environment.
 - Achieved personal sales targets in line with KPI objectives.
 - Other duties included answering telephone enquiries, stocktaking and till operating.
-
